### Few interesting facts about Germany!

The capital of Berlin has more bridges than Venice

It's illegal to run out of fuel in the German Autobahn

College education in Germany is free even for internationals

Over 800 million Currywurst are eaten in Germany each year

Germany has more cultural activities and places than any other country

### Great reasons why you should visit Germany

Germany is a diverse country with many attractions! The combination of old world charm and modern urban cities make it an ideal destination for travelers.

1. Germans love to celebrate. Oktoberfest, Christmas markets, Carnival and the famous Rhine in Flames.
2. The home of Bach and Beethoven, Germany boasts around 300 theaters, 130 professional orchestras and 630 art museums with internationally acclaimed collections. This is ideal for the travelers interested in the fine arts.
3. Even though German is the primary language, many also speak English, making it easy for non-German speaking visitors to communicate.
4. The country is crisscrossed by 7,900 miles of Autobahn and a rail network of nearly 21,800 miles. This extensive system makes traveling by car or rail extremely easy. No speed limits on the Autobahn!
5. Thirteen national parks offer a quiet escape from the fast pace of city life.
6. Neuschwanstein was the inspiration for Disneyland's Sleeping Beauty Castle and is an easy day trip from Munich. This stunning structure is the ideal of romantic architecture, and is one of the many fairytale castles dotted throughout Germany.
